Welcome to life in Wildwood, one of Calgary's most beloved inner-city communities, where nature meets city living. Tucked away on a quiet, tree-lined street, this cherished bungalow rests on an oversized 6,500 sq. ft. lot (65' x 100' R-CG zoning) offering endless opportunity. Whether you dream of building a custom home, pursuing redevelopment, or renovating the existing residence, this property delivers the space, zoning, and location to make it happen. The current home offers over 2,150 sq. ft. of functional living space. The kitchen overlooks the large west-facing backyard and flows to a generous dining area—ideal for family gatherings. A four-piece bath with soaker tub completes this level, while large windows invite natural light throughout. The finished basement adds exceptional flexibility with a spacious family room and gas fireplace, flex space perfect for a home office (with built-in desk) or gym/fitness studio, a full bathroom with a steam shower, and plenty of storage. There is potential to add additional bedrooms. Outdoors, enjoy a sunny west-facing backyard oasis—perfect for family gatherings and summer entertaining—with a large deck, play structure, and hot tub (sold as is). The oversized double garage and rear alley access provide ample parking and storage for

vehicles, tools, and toys. The lifestyle here is unmatched.
